

SUMMER MUSIC CAMPS

The main emphasis here is on stage performance! There are uncomfortable barriers that talented children must overcome in order to perform well and that can only be achieved by spending time on a stage performing!

— Laura Stevens Director of Voices of the Heart and The Heart of Christmas Show!

“WAY OFF BROADWAY”

June 15-26 2009

“Wonderful World of Music”

July 13-24 2009

*This is fun! fun! fun!
The time they spend on stage and
with other performers is invaluable!*

Certain participants will be chosen from these camps to participate in The Heart of Christmas Show and begin training with Laura Stevens.

Directed by Laura Stevens, both camps offer a variety of music including Broadway, 50's & 60's, Movie Classics, Musicals, Patriotic and Gospel. Children learn how to handle themselves on stage and all that goes with being in a musical production. Each song is heavily choreographed with dancing, costumes and there is a great emphasis on stage presence.

The camps end with a musical “show” for family and friends to enjoy.

If your child shows great interest in singing and dancing, these camps will surely bring out those talents and their love for performing. From here, you can decide whether or not to invest in private classes.

Camps will be held at Westover Senior High School
